About

We provide a steady stream of pre-qualified leads tailored to your specific needs, ensuring that you spend less time searching for prospects and more time closing deals.

We understand that every real estate business is unique. We work closely with you to develop personalized lead generation strategies that align with your goals.

Data-Driven Insights, we harness the power of data analytics to continuously refine our lead generation processes. This allows us to provide you with insights into market trends and buyer behavior, helping you make informed decisions that enhance your sales strategy.

Fresh Leads targeted more than 25,000 customers wishing to purchase during August 2024 through the online ads. Budgets exceeded 4 million Egyptian pounds.

Fresh leads Campaign Calculators

The campaign calculator can help you estimate and appropriately size and price your campaign based on your targeting parameters and desired conversions. Change different projects or metrics, and choose the budget that is right for you.

Calculate Your Campaign By Project

Project *

NEO -Juzur Developments
